DETAILED ACTION

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

ART REJECTION:

Claim Rejections - 35 USC § 103

2. Claims 1-13 are rejected under 35 U.S.C. 103(a) as being unpatentable over Ricketts for the reasons of record as discussed in the previous Office Action.

REMARKS:

Response to Arguments

3. Applicant's arguments filed 4/30/2007 have been fully considered but they are not persuasive. Applicant is arguing that the reference to Ricketts does not read on the claimed subject matter because Ricketts does not suggest modification of the second card readers so as to perform in the same manner as that of the base computer. However, the examiner has provided reasoning the art rejection as stated in the previous Office action as to why it would have been obvious to one of ordinary skill in the art at the time the invention was made to modify Ricketts in a manner that would have read on the claimed subject matter. In view of this, applicant's argument is not deemed persuasive.
4. With regards to the examiner's Official Notice statement with regards to claim 2, in accordance with MPEP 2144.03[C], "If applicant does not traverse the examiner's assertion of Official notice.....the art statement is to be taken as admitted prior art". Applicant has neither traversed nor commented on the examiner's stated with regards

to claim 2, and therefore the subject matter of that claim will be taken as admitted prior art.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
